sprawl or suburban sprawl  
describes the expansion of  
human populations away  
from central urban areas  
into low-density,  
monofunctional and usually  
car-dependent communities,  
in a process called  
suburbanization. In addition  
to describing a particular  
form of urbanization, the  
term also relates to the  
social and environmental  
consequences associated  
with this development.
